VOL 10 ISSUE 2

March 2020

This Club is a 501c(7) not-for-profit organization. The objects of the club shall be to do all in its power to protect and advance the interests of all purebred papillon dogs, to encourage sportsmanlike competition at dogs events, and to hold events under the American Kennel Club Rules and Regulations for which the club is eligible.

NEXT MEETING

Due to the COVID-19 pandemic and the cancellation of the Peninsula Dog Fanciers show in Bremerton the upcoming meeting to be held on Saturday March 21, 2020 has been CANCELLED.

The Board has decided not to re-schedule the March meeting as it would be too difficult to get everyone together in a convenient place.

Going forward we will just have to wait and see how this plays out. Hopefully things will be better by our next meeting in May but in case they are not we do have a plan that should work for most of us.

Please, everyone, stay safe. Practice social distancing as much as possible and wash those hands. Check on elderly parents and neighbors, make sure they have what they need to get by.... and please don't hoard products making it difficult for others to find what they need. Common sense and decency is all that is required at this unprecedented time.

Melinda, President
