Message from President September 2021

Thank you to everyone who made our Specialty memorable and successful! With two shows in one day everyone came together to help make it very special and successful. We missed our friends from Canada, but we had exhibitors from Oregon, Alaska, Arizona and California. The entries were not as large as hoped but we still had a great turnout of beautiful dogs, post-COVID. Special thanks to non-members Cheryl Maass and Andi Meloon for helping with setup and tear down.

Thank you to Deborah who 'manned' both the catalog table and managed to mentor at least 3 judges simultaneously! Her donation of hand sanitizers in each catalog gift bag was very timely.

A huge congratulation goes out to our club members for their wins at the Specialty and the beautiful rosettes and trophies. The Challenge Trophy has been retired. I heard Robert had guarded that trophy after their win. Congrats to Betty and Robert!

Another item prior to the Specialty, the Board clarified criteria for winning the high scoring trophy this year and we need to expand on the criteria for it for future shows at our next meeting. There was no one who qualified this year for it.

For 2022 and future we need to better define the old motion for High Scoring Champion. This year we had only a Beginner Novice entry. Typically High Scoring is given to the eligible dog from a Regular Obedience Class (Novice, Open or Utility). We could not find the original record of the motion which many of us remembered that Carlisle Peel brought forward. Also now that AKC has added Rally, we may want to consider an equivalent for Rally entrants.

Based on suggestions by our members, I have expanded our webpage in hopes it'll stir more interest from members and potential interest.

One of my goals this year as your President has been for more transparency to our membership which may mean more emails & discussions asking for your thoughts. Nothing is being discussed in a vacuum and we avoid any unilateral decisions unless the Board has an immediate deadline requiring action. The Board will discuss topics occasionally and then bring them forward for further discussion with the Membership as should any club. We are just a dog club, but the future of our existence depends on ALL of you. Help us make 2022 awesome!

Amy

Reminder for future meetings – as the ZOOM host, we will be using the hand raising option and possible Mute All to avoid talking over others in conversation. Everyone's connectivity to ZOOM is vastly different so we need to be patient. Some of you use a computer while others use their phones or tablets. If you want a short meeting, then please drop off. I also may need to enforce a 2 minute rule for discussions.

NEXT MEETING

There will be a ZOOM meeting on
